

### **From the Director of Golf:**

My name is Scott Donovan and I am the new PGA Director of Golf at Choctaw Creek. I moved back home to Oklahoma from Texas and I'm so excited about being here at Choctaw Creek. We will be updating all our e-mail members on a weekly basis with items from our Golf Shop, Golf Course and Restaurant.

### **From the Golf Shop:**

We are in the process of ordering golf balls from Nike, Callaway, Titleist, Taylormade and Srixon. We will also be carrying golf shirts, hats, golf shoes, and Callaway putters and wedges to start. We're also planning on having Demo Days this summer with Callaway, Nike, Titleist and Ping, just to name a few.

### **From the Driving Range:**

When you are finished with a range basket, please try to return the basket to the range ball machine or just leave the baskets on the range and our friendly staff will come by and gather all baskets. We are also preparing to top dress and punch the Top Driving range tee; this will allow the grass to recover more quickly.

### **From the Super:**

Spring has finally arrived at Choctaw Creek! With the warmer temperatures, we can count on more turf maintenance. The health of the Bentgrass is always on the top of our list. With that, our seasonal spray program is in full swing. At least once weekly we will be making applications of micro-nutrients, fungicides, growth regulators, fertilizers and bio-stimulants. The early spring applications of Proxy and Primo seemed to be successful in suppressing much of the Poa seed heads.

The harsh winter has also taken its toll on the Bermuda grass. Winter Kill is extremely bad this year. In the next few weeks we will be fertilizing and verticutting these areas to help the healing process. Last but not least, mowing, string trimming, and greens cooling are all a necessary part of the growing season. We will do our best to stay out of the way of our golfers, but sometimes it can't be avoided. So we ask for your patience during these times. As always we thank you for playing Choctaw Creek Golf Club.

### **Junior Golf Update:**

Choctaw Creek will be offering Junior Golf Camps all summer. Please call or stop by the golf shop for more information. Also every Saturday, starting May 15 bring your junior golfer out for a thirty-minute golf clinic taught by one of our PGA Golf Professionals. Cost is \$20.00 per junior.
